

# Peace

Asa

Peace for the people who are gone  
Yekpa for the ones not yet born  
Oh oh oh for the people who are here  
Oh oh oh for the people

I cry when I see that I am born  
I live when I see what I am to do

'Cuz life is all about  
All you sitting and looking at me  
Take one step at a time  
Cos if you jump, youâ€™ll never believe

The thorns of life  
Them are whining and  
Waiting for you and me  
They make a brother , I want to run away

Run away, run away,  
Run away,  
We re ja si gbo
