

Possibilities

Weezer

Give it all away
Give it all away Oh, oh
Possibilities
(Possibilities)
Take you home with me
In your arms I never thought I'd do that
(Ooo)
Take me all the way
(Ooo)
And let your body stay
(Ooo) Oh, oh
Take me by the hand
(Take me by the hand)
Let me be the man in your arms I never thought I'd do that
(Ooo)
Take me all the way
(Ooo)
And let your body stay
(Ooo) Oh, you're gone
(Give it all away)
Oh, you're gone
(Give it all away)
You're gone, you're gone to stay
(Give it all away) (Ooo)
I never thought I'd do that
(Ooo)
Take me all the way
(Ooo)
And let your body stay
(Ooo) Oh, you're gone
(Give it all away)
Oh, you're gone
(Give it all away)
You're gone, you're gone to stay
(Give it all away) Oh, oh, oh
Oh, oh, oh
I need you
I plead you now
