

# Leaving

## Drop the Lime

Don't leave me without saying goodbye  
Without saying goodbye

You and I, cold February night  
It's been a half an hour  
Taking sweet time saying our goodbyes  
One minute more, go!!

The best day of my life is all thanks to you  
Precious remembrance saved for rainy days on February  
Few scenes from my life where moments mean more to me  
Than our fine nights,  
I remember like yesterday, the time of my life

Please don't leave me without saying goodbye  
Without saying goodbye  
Please don't leave me without saying goodbye  
Without saying goodbye  
Lets travel back in time

Two-twelve-ninety nine at the stroke of midnight  
Holding you tight, your body and mine, in February  
Few scenes from my life where moments mean more to me  
Than our fine nights,  
I remember like yesterday, the time of my life

Please don't leave me without saying goodbye  
Without saying goodbye  
Please don't leave me without saying goodbye  
Without saying goodbye  
Please don't leave me without saying goodbye  
Without saying goodbye  
Please don't leave me without saying goodbye  
Without saying goodbye  
Lets travel back in time
