

# I Won't Give Up

## Lennon & Maisy

When I look into your eyes  
It's like watching the night sky  
Or a beautiful sunrise  
Well, there's so much they hold  
And just like them old stars  
I see that you've come so far  
To be right where you are  
How old is your soul? Well, I won't give up on us  
Even if the skies get rough  
I'm giving you all my love  
I'm still looking up  
And when you're needing your space  
To do some navigating  
I'll be here patiently waiting  
To see what you find 'Cause even the stars they burn  
Some even fall to the earth  
We've got a lot to learn  
God knows we're worth it  
No, I won't give up I don't wanna be someone who walks away so easily  
I'm here to stay and make the difference that I can make  
Our differences they do a lot to teach us how to use  
The tools and gifts we got, yeah, we got a lot at stake  
I won't give up on us  
Even if the skies get rough  
I'm giving you all my love  
I'm still looking up, I'm still looking up.  
I won't give up
