

Bedroom Bounty Hunter

Shaggy

There is a bounty come to terrorize your county
Doberman, dogamuffin, ragamuffin, loving, watch this rude bwoy
The Bedroom Bounty Hunter watch the gal a bed
(All how you do is just buck on the bed)
The Bedroom Bounty Hunter go pon the gal a bed
(All the way you do is just stick out the red)
The Bedroom Bounty Hunter watch the gal a bed
(All the way you do is just buck on the bed)
Mm Bedroom Bounty Hunter watch the gal a bed
(All the way you do is just stick out the red)
Well, now me ram it till me jam it till me give the rhythm more
Maybe gal you wonder who is the loving galore
Suzie, Beverly and the one Eleanore
Come from the place called El Salvatore
Give her pon the bed, she said she want it pon the floor
She said, "Papa Shaggy, this is one thing for sure
Yes, you are the man with the loving galore"
Knock, knock, knock up pon the gal pickney door
Bedroom Bounty Hunter watch the gal a bed
(All the way you do is just buck on the bed)
