

# Blowout In The Radio Room

## Fight

Trippin' out, oh yeah  
I'm freakin' out  
This sound is bouncing me  
Right on the wall.Lose myself  
I can't control myself  
I'm a radio head  
That's in free-fall.Gets me high  
High  
High  
HighHazy man, oh yeah  
I'm blasted man  
Out there flippin' through my  
paisley mind.Ride the wave  
From cradle  
To the grave  
Breathe it in with my own kind.Gets me high  
High  
High  
HighBoned with sound, oh yeah  
I'm stoned on sound  
No one gets to me  
Inside this room.Spacin' out, oh yeah  
I'm racing here  
This sound gets in my head  
My head goes boooom.Gets me high  
High  
High  
High
