I Got You

Leona Lewis

A place to crash, I got you
No need to ask, I got you
Just get on the phone, I got you
Come and pick you up if I have toWhat's weird about it is we're right at the end
I'm mad about it, just figured it out in my head
I'm proud to say I got youGo ahead and say goodbye, I'll be alright
Go ahead and make me cry, I'll be alright
And when you need a place to run to
For better, for worse I got you, I got youAin't falling apart or bitter
Let's be bigger than that and remember
The cooling outdoor when you're all alone
Won't survive it, no drama, no need for a show
Just wanna say I got youGo ahead and say goodbye, I'll be alright
Go ahead and make me cry, I'll be alright
And when you need a place to run to
For better, for worse I got youGo ahead and say goodbye, I'll be alright
Go ahead and make me cry, I'll be alright
And when you need a place to run to
For better, for worse, I got you'Cause this is love and life
And nothing we can both control
And if it don't feel right
You're not losing me by letting me knowGo ahead and say goodbye, I'll be alright
Go ahead and make me cry, I'll be alright
And when you need a place to run to
For better, for worse I got youGo ahead and say goodbye, I'll be alright
Go ahead and make me cry, I'll be alright
And when you need a place to run to
For better, for worse I got youA place to crash, I got you
No need to ask, I got you
