

# Have I Stayed Too Long (Single Version)

Sonny & Cher

I think this party is going badly  
Is there something wrong  
I see faces looking sadly  
Have I stayed too long Even though I see me smile  
That same scene and acting wild  
Pretending that I really care  
Smiling face is just a mask Without love a kiss is nothing  
Have I done something wrong  
I look around and I can't find nothing  
Have I stayed too long Without beginning there ain't no end  
Without a hope, you got no friends  
Have I gone from loving you  
To find out what's behind my tears I got to get out of this place  
I'm tired, tired of waiting  
This phony place I think this party is going badly  
Is there something wrong  
I see faces looking sadly  
I guess I'm going home Even though you see me smiling  
That same scene and acting wild  
Pretending that I really care  
Smiling face is just a mask
