There She Goes Again

The Velvet Underground

(reed)There she goes again
She's out on the streets again
She's down on her knees, my friend
But you know she'll never ask you please againNow take a look, there's no tears in her eyes
She won't take it from just any guy, what can you do
You see her walkin' on down the street
Look at all your friends she's gonna meet
You better hit herThere she goes again
She's knocked out on her feet again
She's down on her knees, my friend
But you know she'll never ask you please againNow take a look, there's no tears in her eyes
Like a bird, you know she would fly, what can you do
You see her walkin' on down the street
Look at all your friends that she's gonna meet
You better hit herNow take a look, there's no tears in her eyes
Like a bird, you know she will fly, fly, fly away
See her walking on down the street
Look at all your friends that she's gonna meetShe's gonna bawl and shout
She's gonna work it
She's gonna work it out, bye bye
Bye bye baby
All right
