Always Let U Down

Blood Orange

I can only disappoint you, cause I always let you down
I can only disappoint you, alwaysI traveled from Dublin, you said you'd change the world
You sing like Sinatra, always
You pulled them for miles now, like Garbo in Berlin
You played them for zeroes, just like always
Tonight some bitch is hassling me
And tonight it feels so good feeling cheapI can only disappoint you, cause I always let you down
I can only disappoint you, alwaysI can only disappoint you, cause I always let you down
I can only disappoint you, alwaysYou turned a man cuckoo, half animal half grace
The chick was a teaser, always
Tonight their hips will swivel and turn
So we drove to the place where we first metI can only disappoint you, cause I always let you down
I can only disappoint you, always
I can only disappoint you, cause I always let you down
I can only disappoint you, always
I can only disappoint you, cause I always let you down
I can only disappoint you, always
I can only disappoint you, cause I always let you down
I can only disappoint you, always
I can only disappoint you, cause I always let you down
I can only disappoint you, always
I can only disappoint you, cause I always let you down
I can only disappoint you, always
