

Brand New Key

Rasputina

I rode my bicycle past your window last night

I roller skated to your door at daylight

It almost seems like you're avoiding me

I'm okay alone but you've got something I needWell, I've got a brand new pair of roller skates

You got a brand new key

I think that we should get together

And try them on to seeI've been lookin' around awhile

You've got something for me

Well, I've got a brand new pair of roller skates

You got a brand new keyI ride my bike, I roller skate don't drive no car

Don't go so fast, but I go pretty far

For somebody who don't drive, I've been all around the world

Some people say I've done alright for a girlI asked your mother if you were at home

She said yes, but that you weren't alone

It almost seems like you're avoiding me

I'm okay alone but you've got something I needWell I've got a brand new pair of roller skates

You got a brand new key

I think that we should get together

And try them on to seeWell, I got a brand new pair of roller skates

You've got a brand new key
