Morphing Thru Time

Enigma

Et turtur nidum
Ubi reponat pullos suos
Altaria tua domine virtutum
Rex meus, et deus meus
We are floating over the line
Let us follow our mind
All of our life, we'll wait for the answer
And the question is why?
If we're following our mind
We can glide into light
No one knows if there'll be an answer
While, we're morphing through time

[Foreign content]We are floating over the line
Let us follow our mind
All of our life, we'll wait for the answer
And the question is why?
We're just travellers in endless space
If we're following our mind
We can glide into light
No one knows if there'll be an answer
While, we're morphing through time
