

# Morphing Thru Time

## Enigma

Et turtur nidum  
Ubi reponat pullos suos  
Altaria tua domine virtutum  
Rex meus, et deus meus  
We are floating over the line  
Let us follow our mind  
All of our life, we'll wait for the answer  
And the question is why?  
If we're following our mind  
We can glide into light  
No one knows if there'll be an answer  
While, we're morphing through time

[Foreign content]We are floating over the line  
Let us follow our mind  
All of our life, we'll wait for the answer  
And the question is why?  
We're just travellers in endless space  
If we're following our mind  
We can glide into light  
No one knows if there'll be an answer  
While, we're morphing through time
