

# If You Ask

Faith Hill

Well, I've come to know the look on your face  
When you're lyin' about where you've been  
Or how much you spent  
I know when you will raise your fingers  
To your mouth as if to wipe away the shame  
It's not a game, I know you feel bad  
If you ask for my forgiveness  
If you call my name, I will come  
If you ask for my love, I will give you some  
Someday I know, you'll understand  
Someday you'll finally realize  
What you're doin' to yourself  
If you ask for my forgiveness  
If you call my name, I will come

If you ask for my love, I will give you some  
We've been dancin' to that same old song  
Over and over again, I wanna be your lover  
I don't want to be your policeman  
So, tonight when you finally make  
Your way back to our door  
I'll let you sleep it off like I did the night before  
When you ask for my forgiveness  
When you call my name, I will come  
When you ask for my love, I will give you some  
In the morning I will get you up  
And I will smile just when you want me to  
'Cause I'm, I'm all you have
