

You Know We Can't Go Back

Noel Gallagher's High Flying Birds

Danger time will felt like I lost my way
I was stayed in silence, in silence and see this all
With my hand on my heart I could tell you if I was dreamin'
Take you to, the love on walls
I won't wake up this time

Baby I believe in magic love
Find the morning stars above
I take you from one stars on and you'll bring you down
And I love you for all time
But it's alright to know we can't go back
Said it's alright to know we can't go back
Know we can't go back

Yeah that's the time that I guess I must believe in
Done out things and we scream out loud
With my hand on my heart I could tell I just be heavy
Take me to the love and dawn cuz I won't back down this time

Said it's alright to know we can't go back
Said it's alright to know we can't go back
Said it's alright to know we can't go back
