Ginger

The Front Bottoms

Ginger sleeping on the floor
Of a hardwood floor apartment
Maybe one day she'll have more say
But right now she has no commentEverything's a cavity
The last few months especially
But all of that's behind her now
Oh yeah (x2)
You can tie her up just don't tie her down
Yeah you can tie her up don't tie her downBack before i got struck by lightning
And things were so much different then they are now
I got a lot more people in on me
And all i wanna do is make them proudBut this is my body
The only thing that I own entirely
And it will carry me to greatness somehow
Oh yeah (x2)
She can tie me up don't tie me down
Yea you can tie me up don't tie me down
Don't tie me downEvery spider I kill stays inside of my pocket
I am so desperate to tame the beast
I shut the door and I lock itI got a dead spider in my pocket
I'm not ashamed to say I was desperate to tame the beast
Desperate to tame the beastShe can tie me up
(Tie me up)
But don't tie me down
(Don't tie me down)
Yeah you can tie me up
(You can tie me up)
But don't tie me down
(Don't tie me down)Cause everything's a cavity
The last three months especially
But all of that's behind me now
Oh yeah (x2)
She can tie me up
Don't tie me down
