

Foolish Fool

Sublime

Crazy, crazy
Crazy fool
Crazy fool If she thinks that she is gonna dispose my world
I'd be a crazy, crazy, crazy
Crazy fool, crazy fool My love for you was, oh, so strong
We went together for, oh, so long I might have complained about this misery, yeah
Is this the way love's supposed to be
Supposed to be now Foolish, foolish
Oh, you just a foolish girl Ohh, foolish, foolish, fool
Oh, you just a crazy girl If she thinks that she is gonna take you from me
Gotta be a crazy, crazy, crazy
Crazy fool, crazy fool
