Romance In Denial

Forever Changed

Hey, where were you today?
I was on my death bed, per say.
Here, I wait for your return,
Waiting as you run away.
And now, several weeks have passed
I wonder when you're coming home.
I'm here, I'm lying on the floor.
I've never felt this alone.You are never compromising.
You are always fantasizing.Dreams, our dreams have come and gone.
You claim that you're still chasing yours.
So wait - where do I fit in?
I give enough, you still want more.
So I guess, I guess I just give in.
My broken life is built around yours now.So will you stay with me?
Everything's perfect, everything's perfect tonight
Cant's you see?
Don't say a word, no don't say a word.You are never compromising.
You are always fantasizing.
Don't want to talk about,
Don't want to think about,
These problems that we know,
These problems that we know.So will you stay with me?
Everything's perfect, everything's perfect tonight
Cant's you see?
Don't say a word, no don't say a word
