Secret Girl

Edmund Cake

i barely even know your name
but i want you
i want it bad, want it bad
i've got a crazy mind
i cant fight it
i get that all the time, all the timeso here goes my open letter to you
cause i've been watching you from across the country
if i could be your star-crossed
more than friend
yeah i would be so good to you, good to youand here goes my voice
i'll sing it out
i wanna get so lost with you
in the here and now
and there's nothing else
i want to say
cause i'm losing my mind for you
so wont you be my se-cret girl
(oh-oh-ooh)
you could be my secret girl
(oh-oh-ooh)
yeah you could be my secret girland if you look to the sky tonight
...you will see
i'm sending you a song
hope i'm singing it right
(you are)
you could even be my my heartbreak
i dont mind
dont wanna keep you far
been so far all my lifei've been watching ya, watching ya, girl
you're so pretty when you smile at the world
you leave me weak in the knees
never fell this far
for somebody i've never met before
with you i can telland here goes my voice
i'll sing it out
i wanna get so lost with you
in the here and now
and there's nothing else
i want to say

cause i'm losing my mind for you
so wont you be my se-cret girl
(oh-oh-ooh)
you could be my secret girl
(oh-oh-ooh)
yeah you could be my secret girl
(oh-oh-ooh)
you could be my secret girl
and well live in a secret world
in a secret worldi wanna be there, where you are
if i could only get that far, with you
(oh-oh-ooh) (oooh) (oh-oh-ooh) (oooh)and here goes my voice
i'm singing to you
i know that i have finally found
what i've gotta do
and there's nothing else
that i can say
cause i'm losing my mind for you
so wont you be my se-cret
cause i want it bad
i want it bad
you could be my secret girl
(oh-oh-ooh)
you could be my secret girl
(oh-oh-ooh)
yeah you could be my secret girl
(oh-oh-ooh)
you could be my secret girl
(oh-oh-ooh)
yeah you could be my secret girl
