Never Let You Go (feat. John Newman)

Kygo

Emotions like summer
We'll wait for a blue sky
And I turned to hold you
As we watched the sunrise
'Cause this is amazing
Running wild with you
My thoughts are hazy
This may be way too soonBut I will never let you go
Never let you go, at all
I will never let you go
Never let you go, at allOoh, ooh
Ooh, ooh
I'm so lost in these summer nights
So lost in your crystal light
And even when this night is day
I won't regret the words I'm sayingYeah I will never let you go
Never let you go, at all
I will never let you go
Never let you go, at allOoh, ooh
Ooh, oohThrough the longest of time I will never let you go
(Never let you go, I'll never let you go)
If we fall off [?] I will always keep a hold
(Never let you go, never let you go)
Through the longest of time I will never let you go
(Never let you go, never let you go)
If we fall off [?] I will always keep a hold, oh no
Yeah I will never let you go
Never let you go, at all
I will never let you go
Never let you go, at allOoh, ooh
Ooh, ooh
