

Fine Girl (feat. Davido & Olamide)

Wale

See a fine girl, ooh
I'm all the way, though
One love, one legacy
Sweet girl, you know
Let's get the paper, Folarin
Now I know I don't know you
But I do somethin' for you
Show me what it do
Then I spray somethin' for you
Sweet girl, you know Fine girl, fine girl, fine girl
My fine girl, my fine girl, fine girl
Fine girl, fine girl, she's a fine girl
My fine girl, my fine girl, fine girl
