

Fool

Shakira

Tell me lies
Slap me on the face
Just improvise
Do something really clever That'll make me hate
Your name forever You might swear
You'd never touch a lady
Well let me say
You're not too far from maybe Every day you find
New ways to hurt me But I can't help it if I'm just a fool
Always having my heart set on you
Till the time you start changing the rules
I'll keep chasing the soles of your shoes
Ahh, fool God resigned
From hearing my old story
Every night
I'm paying hell for glory And I'm embarrassed
But I'm much more sorry All this pain
Begins to feel like pleasure
With my tears
You'd make a sea a desert Salt my wounds
And I'll keep saying thank you But I can't help it if I'm just a fool
Always having my heart set on you
Till the time you start changing the rules
I'll keep chasing the soles of your shoes
Ahh, fool But I can't help it if I'm just a fool
Always having my heart set on you
Till the time you start changing the rules
I'll keep chasing the soles of your shoes
Ahh, fool I can't help it baby
Ahh, fool
I can't help it baby
Ahh, fool I can't help it baby
Ahh, fool
I can't help it baby, baby
Ahh, fool I'm a fool
I'm a fool
