

# As Cool As Berlin

## Valeska

I wanna be as cool as Berlin  
I wanna be loud guitars and electricy  
Fucked up and indie  
Secondhand and MTV

I wanna be, I wanna be  
I wanna be, I wanna be

I wanna be as cool as Berlin  
I wanna be future with a history  
Out of tune but in my melody  
Je m'en fous  
But very trendy

I wanna be, I wanna be  
I wanna be, I wanna be  
I wanna be, I wanna be  
I wanna be, I wanna be

I wanna be as cool as Berlin  
I wanna be urban poetry  
Young and wild and free  
Yeah, yeah, yeah

I wanna be, I wanna be  
I wanna be, I wanna be  
I wanna be, I wanna be  
I wanna be, I wanna be

I wanna be as cool as Berlin  
I want the vibes and minds and the jokes and the teams  
I wanna be most people's couple of tea  
A friendly kind of freak  
Oh, pretty, pretty please!

I wanna be, I wanna be  
I wanna be, I wanna be  
I wanna be, I wanna be  
I wanna be, I wanna be (repeat)

As hot as the coolest city
