Victim Of The Modern Age

Star One

Prowling 'round the city slums, hungry for distraction
lashings of violence fire me up inside
A dose of nasty, some "social interaction'
cry out, have a laugh, never, ever holding backRipping through the countryside, dying for some danger
the sound of symphonies sends shivers up my spine
beat up some loser, harass some random stranger
fly high, feel no pain, I'm singing singing in the rainYou're just a child who's lost his way
a wandering soul led astray
but we all know what's right for you!
You're just a child consumed by rage
a victim of a modern ageYou're just a child who had no choice
a mindless pawn without a voice
but we all know what's right for you!
a restless mind trapped in this cage
a victim of a modern ageI am not an evil man, I swear to you, my brothers
I've learned my lesson now, I have changed my ways
I was merely blinded by the treachery of others
hell yeah, now I am sure, I survived, I am cured!You're just a child who's lost his way
a wandering soul led astray
but we all know what's right for you!
You're just a child consumed by rage
a victim of a modern ageYou're just a child who had no choice
a mindless pawn without a voice
but we all know what's right for you!
a restless mind trapped in this cage
a victim of a modern age
violence makes violenceYou're just a child who's lost his way
a wandering soul led astray
but we all know what's right for you!
You're just a child consumed by rage
a victim of a modern ageYou're just a child who had no choice
a mindless pawn without a voice
but we all know what's right for you!
a restless mind trapped in this cage
a victim of a modern ageI am not an evil man
I swear to you, my brothers
I'm still singing in the rain
and I'm singing in the rain
