

Silhouette

Owl City

I'm tired of waking up in tears
Cause I can't put to bed these phobias and fears
I'm new to this grief, I can't explain
But I'm no stranger to, the heartache and the pain
The fire I began is burning me alive
But I know better than to leave and let it die
I'm a silhouette, asking every now and then
Is it over yet? Will I ever feel again?
I'm a silhouette, chasing rainbows on my own
But the more I try to move on, the more I feel alone
So I watch the summer stars to lead me home
I'm sick of the past I can't erase
A jumble of footprints, and hasty steps I can't retrace
The mountain of things I still regret
Is a vile reminder that I would rather just forget (No matter where I go)

The fire I began is burning me alive
But I know better than to leave and let it die
I'm a silhouette, asking every now and then (Now and then)
Is it over yet? Will I ever smile again?
I'm a silhouette, chasing rainbows on my own
But the more I try to move on, the more I feel alone
So I watch the summer stars to lead me home
Cause I walk alone (No matter where I go)
Cause I walk alone (No matter where I go)
Cause I walk alone (No matter where I go)
I'm a silhouette, asking every now and then (Now and then)
Is it over yet? Will I ever love again? (Love again)
I'm a silhouette, chasing rainbows on my own
But the more I try to move on, the more I feel alone
So I watch the summer stars to lead me home
I watch the summer stars to lead me home
