Radio

Hot Chelle Rae

(If you miss me, like I miss you)
I stayed up till 5, last night,
just to say I missed ya,
thank God for free, wifi,
and the key to the mini bar,
we fell asleep, on Skype,
I almost missed my flight
You know that, I need ya, I'm out the door,
hasta lavista, one, two, three, four!
No matter where I'm at, no matter where I go,
I'll be singing for you on the radio,
like ohh-ohh-oh, radi-ohh-ohh-oh,
well you could be in Nashville, and I could be in France,
and here's a little something just to make you dance,
like ohh-ohh-oh, radi-ohh-ohh-oh
Turn me up all, the way,
pretend I'm right beside you,
like we're on ho-liday,
and pounding Two Buck Chuck,
yeah I've been ev-erywhere,
I've turned the Mona Lisa,
and nothing, I'm seeing,
compares to you,
cuz nobody does it, THE WAY YOU DO
No matter where I'm at, no matter where I go,
I'll be singing for you on the radio,
like ohh-ohh-oh, radi-ohh-ohh-oh,
well you could be in Nashville, and I could be in France,
and here's a little something just to make you dance,
like ohh-ohh-oh, radi-ohh-ohh-oh
If you miss me, like I miss you,
through the airwaves, I'ma kiss you,
let's g-ohh-ohh-oh, radi-ohh-ohh-oh
Everywhere I go, I need ya,
comin' for ya, through the speakers,
right there on the radio,
even when we feel the static,
know our love is automatic,
right there on the radio

Hey turn me up, ah ah, can you hear me?
Singing to you clearly, even when you ain't near me,
Make love through the airwaves,
I hope this song's in your head like hairspray,
I hear your friends say I change so they'd hear say,
they only say that when they're drunk,
so they beer say, anyway,
I wrote you this little song because I wish you were with me,
I'm callin up the station, requesting it in your city, girlNo matter where I'm at, no matter where I go,
I'll be singing for you on the radio,
like ohh-ohh-oh, radi-ohh-ohh-oh,
well you could be in Nashville, and I could be in France,
and here's a little something just to make you dance,
like ohh-ohh-oh, radi-ohh-ohh-oh
If you miss me, like I miss you,
through the airwaves, I'ma kiss you,
let's g-ohh-ohh-oh, radi-ohh-ohh-oh
Ooohh-oo-oo, ooohh-oo-oo
Let's g-ohh-oh-oh, radi-ohh-oh-oh,
Ooohh-oo-oo, ooohh-oo-oo
