Kiss Off

Say Hi

I need someone, a person to talk to
Someone who'd care to love
Could it be you, could it be you
Situation gets rough then I start to panicIt's not enough, it's just a habit
Hey, kid your sick well, darling this is it
You can all just kiss off into the air
Behind my back I can see them stareThey'll hurt me bad but I won't mind
They'll hurt me bad, they do it all the time
Yeah, yeah, they do it all the time
I hope you know this will go downOn your permanent record
Oh yeah, well don't get so distressed
Did I happen to mention that I'm impressed
I take one one one cause you left me andTwo, two, two for my family and
Three, three, three for my heartache and
Four, four, four for my headaches and
Five, five, five for my lonely and
Six, six, six for my sorrow andSeven, seven for no tomorrow and
Eight, eight I forget what eight was for and
Nine, nine, nine for a lost God and
Ten, ten, ten, ten for everything
Everything, everything, everything
