

Blood Pollution

Steel Dragon

Gimme blood, gimme blood
Gimme blood, gimme blood pollution
Gimme blood, gimme blood
Gimme blood, gimme blood pollutionBad mornings, good nights
I gotta run, gotta hide from the light
Bar lights, blind my eyes
I crash the car and got in a fightGimme blood, gimme blood
Gimme blood, gimme blood pollution
Gimme blood, gimme blood
Gimme blood, gimme blood pollutionStole some whiskey, stole some wine
I stole my best friends girl for a line
Sin city, it's alright
I looked at the mirror, all I saw was lightGimme blood, gimme blood, yeah
Gimme blood pollution
Gimme blood, gimme blood
Gimme blood, gimme blood pollutionIt's all I want from youGimme blood, gimme blood
Gimme blood, gimme blood pollution
Gimme blood, gimme blood
Gimme blood, gimme blood pollutionBlood, gimme blood, gimme blood
Gimme blood, gimme blood pollution
