

# Stranger

## Jefferson Starship

Raindrops falling  
Winter feels so gloomy  
Hear a knock upon my door  
Stranger calling  
Eyes that look like mine  
He said you know I've called before[Chorus]  
What is veiled now soon will be shown  
Come walk with me through the unknownFamiliar stranger  
Should I know your name  
Did we meet some time ago  
I feel uncertain  
Shadows whisper to me now  
Sudden wind begins to blow[Chorus]Darkened doorways  
Strangest things can happen  
Don't know who you're talking to  
Find yourself  
When lightning strikes you now  
You could be looking back at you[Chorus x2]Stranger!Familiar stranger  
Should I know your name  
Did we meet some time ago  
Are you someone I should know  
Did we meet some time ago
