

# Spoiled

## Infinity Crush

one two three four  
I'm not yours  
You're not mine  
I am no ones all the time  
Can't we quit?  
I'm sick of it  
I don't have any time for this  
Dress me up  
Take me out  
Don't make a sound  
I feel like shit  
We know, get over it  
Spoil me  
Spoil me  
Spoil me  
Make me born  
Make me cold  
Make me old  
No one cares  
What you wear  
What you did with your hair  
You look the same  
As a previous person i had met  
I wish you were  
i can't miss  
Spoil me  
Spoil me  
Spoil me
