

# If You Were In Love

## Boston

Dreams slipping away, just like sand in the tide  
Like words you'll never say, it's so wrong, but feels so right  
And now, lost in a dream I sail on your sea  
Somehow in my fantasy I believe in dreams  
We could settle down, wouldn't fool around  
Wouldn't have a doubt if you were in love  
If you'd feel the same, I'd do anything,  
We could find a way, if you were in love with me  
oh, oh, if you were in love with me  
Hope, time after time, with my heart on my sleeve  
And love will find me tonight, in my dreams when you leave  
Oh I, I just dream about you, it brings me to my  
knees  
I can't hide what I feel about you, I want to beg you, please  
We could settle down, wouldn't fool around  
Wouldn't have a doubt, if you were in love  
If you'd feel the same, I'd do anything  
We could find a way, if you were in love with me  
Oh I, I dream about you  
And now, I'm lost in a dream ... I sail on your sea  
Somehow in my fantasy, I believe in dreams  
Oh, oh if you were in love with me  
Oh, oh, if you were in love with me  
We could settle down, wouldn't fool around  
Wouldn't have a doubt if you were in love with me  
If you'd feel the same, I'd do anything,  
We could find a way  
If you were in love with me
