

When We Were Young

Adele

Everybody loves the things you do
From the way you talk
To the way you move Everybody here is watching you
Cause you feel like home
You're like a dream come true But if by chance you're here alone
Can I have a moment?
Before I go... Cause I've been by myself all night long
Hoping you're someone, I used to know Chorus:
You look like a movie
You sound like a song
My god! this reminds me!
Of when we were young Let me photograph you in this light
In case it is the last time
That we might be exactly like we were
Before you realized We were sad of getting old, it made us restless
It was just like a movie
It was just like a song I was so scared to face my fears
Cause nobody told me
That you'd be here And I swear you'd moved overseas
That's what you said
When you left me Chorus:
You still look like a movie
You still sound like a song
My god this reminds me
Of when we were young
Let me photograph you in this light
In case it is the last time
That we might be exactly like we were
Before you realized We were sad of getting old, it made us restless
It was just like a movie
It was just like a song When we were young
When we were young
When we were young
When we were young It's hard to admit that
Everything just takes me back
To when ,you were there
To when you were there And a part of me keeps holding on
Just in case it hasn't gone
I guess, I still care

Do you still care? It was just like a movie
It was just like a song
My god! this reminds me!
Of when we were young When we were young
When we were young
When we were young
When we were young Let me photograph you in this light
In case it is the last time
That we might be exactly like we were
Before you realized
We were sad of getting old, it made us restless
Oh I'm so mad at getting old! It makes me reckless! It was just like a movie
It was just like a song
When we were young
