

Jealousy

Kitty Wells

Jealousy is there, no cure
Your distrust hurts me, darling, that's for sure
Have faith in my love or set me free
You are driving me crazy with jealousy
Jealousy, you must control
Your suspicious heart controls your life and soul
Don't you realize the shame it's causing me
Making me feel like a fool by jealousy
Jealous of the air, I breathe, don't be a fool
Your love I've never deceived
If you are in love, oh, can't you see
That you're wrecking my life with jealousy
Jealousy is there, no cure
Your distrust hurts me, darling, that's for sure
Have faith in my love or set me free
You are driving me crazy with jealousy
