

Situation (Daniel Miller / Mark Saunders 12" Mix)

Yazoo

Blue eyed dressed for every situation
Moving through the doorway of a nation
Pick me up and shake the doubt
Baby I can't do without Move out, don't mess around
Move out, you bring me down
Move out, how you get about
Don't make a sound just move out I remember only for an hour
Move right through me can you feel the power
I don't know what's going on
It scares me but it won't be long Move out, don't mess around
Move out, you bring me down
Move out, how you get about
Don't make a sound just move out Now he's in control he is my lover
Nations stand against him he's your brother
Been a long time, been a long time now
I'll get to you somehow Move out, don't mess around
Move out, you bring me down
Move out, how you get about
Don't make a sound just move out Move out, don't mess around
Move out, you bring me down
Move out, how you get about
Don't make a sound just move out
