My First Day Alone

The Cascades

here comes the morning sun
It's another day
But today I'm on my own
It's my first day alone
It's my first day aloneWhy did I lose my love
Mine till yesterday
Lose the only love I've known
It's my first day alone
It's my first day alone
I can live without so many things
They're so unimportant to me
But I can live without a love that's everything
I'll have to wait and see
I know I'll see the sun
Bring me other days
But will I be so on my own
As my first day alone
This my first day aloneThis my first day alone
