

Come

Prince

If you're 18 and over, come here
I got something 4 your mind
(Come)
You should do that baby
No more will you cry
(Come)
The spirit is calling
Here's a reason why
(Come)
If you had a chance to see the future would you try?
(Come)
If you will, so will I(Come)
When I call you up, I want to tell you what to wear
(Come)
Don't be surprised if I tell you to go bare
(Come)
Long as you wash between your soul and through your hair (I'm gonna do it)
(Come)
I'll do my duty there(Come)
You should do that baby
No more will you cry
(Come)
The spirit's calling
Here's a reason why
If you had a chance (come) to see the future would you try?
(If you had a chance to see the future would you try?)
(Come)
If you will, so will I
(If you will, so will I)(Come)
(When you) When I lay you down I'm gonna tell you what to feel
(Come)
(Don't you) Don't be surprised if I make you my daily meal
(Come)
(Lickin' you inside) Lickin' you inside, outside
(Outside) All sides (All sides), up and down (up and down)
(Come)
With my tongue in the crease, baby I go 'round
When I go down, down, down, (Come) down, down, down, da-da-down(When I do, no more)
No more will you cry

(Come)
Spirit's calling
Here's a reason why
(Come)
If you had the chance to see the future would you try?
(If you had the chance to see the future would you try?)
(Come)
If you will, so will I
(If you will, so will I)
So will I(Come)
You should do that baby
You should do that girl
(Come)
(Come)
You should do that baby
(Come)
(Come)
You should do that girl(Come)
When I suck you there
I don't want to hear you scream (Don't want to hear you scream)
(Come)
Don't talk or breathe
Don't cough or sneeze
Oh, just dream, dream, dream
Baby, my tongue's gonna do things that you never seen (Seen)(Come)
(When I) When I blow that mind baby
(Come)
I'm gonna drive you crazy
(Come)You should do that girl (No more will you cry)
(Come)
You should do that baby (Here's a reason why)
(Come)
(If you had the chance to see the future would you try?)
{do that girl, do that girl}
(Come)
You should do that baby (If you will, so will I)
(Come on, come on, come on)
(No more will you cry)
(Come)
(Here's a reason why)
(Come)
(If you had the chance to see the future would you try?)
(Come)
(If you will so will I)
Now break it down(Come)

(Come)
(When I blow that mind baby)
(Come)
(I'm gonna drive you crazy)
(Come)Can I suck you baby?
(Come)
Can I fuck you baby?
(Come)
I want to suck you baby
(Come)Shout it (Come) out
(No more will you cry)
(Come)
(Here's a reason why)
(Come)
And if you had a chance to see the future would you try?
Oh, (Come)
If you will, (So will I) if you will, so will I (So will I)Like a (Come) splendid, open ended
Celibate friend (No more will you cry), pretending
Not to know (Come) it (know it) when I blow it (blow it)
In your eyes (Here's a reason why)
Like a strawberry (Come), chocolate
Fender jazz, mashed potato, fuzztone (Come)
All over your thighsOh baby
That's the only (Come) Come I know
When I'm deep inside that
Yeah, that's the only (Come) time
The only time you go
"Ooh, baby you're so good"
"Ooh, baby you're so good"
Aw, shut up (Come)
This is just so you ComeCome
Come
No more will you cryIt's no wonder there's a puddle there
Holding it in for so long
You know you can let it go
It won't be wrong
(Come)
It's just you and me baby
Tonight and forever more
(Come)
You should do that baby
Fuck it
On the floor
(Come)Or better yet, why don't you do it on the chair?
(Come)

You should get that shit started
You can change your underwear
(Come)

Yeah, you can always change your underwear
(Come)It don't mean your rep 'cause you kiss in a restaurant
(Come)

If you will, if you will, so will I

{ Come, come, come }

When I blow that mind baby
