Take Off Your Clothes

Omarion

And all my say, say, say
And all my ladies say, say, say
And all my say, say, say
And all my ladies say, say, say
And all my say, say, say
And all my ladies say, say, say
And all my say, say, say
I ain't gonna front baby girl, I'm quite mannish
Anything you throw at me I be that can handle it
Bed springs bouncing, got the head board crackin'
Knockin' pictures off the walls, guaranteed satisfaction
We can do it the shower, Bow goes for hours
Hit that spot, make her scream my name louder
Beat it on up like Everlast punchin', punchin' bag
Got a tongue ring and she know just what to do with that now
Take them panties and drop them lower
Hop on top like a real girl supposed to
Ya need some assistance, girl I'll show ya
Help you remove that bra off ya shoulders
We can go all night do anything ya like
Make ya toes curl when I go down town, that's right
Can't no other nigga do ya quite like me
I puts it down in the bedroom, ma ask about me
Baby take off your clothes
Baby take off your clothes
Baby take off your clothes
Baby take off your clothes
Baby take off your clothes
Baby take off your clothes
Baby take off your clothes
Baby take off your clothes
Baby take off your clothes
You ain't gotta talk about it, just be about it
I'ma make ya say O scream and shout it
Get down for me mami
Let me enjoy ya body
We ain't gotta do it alone
Go 'head and grab a hottie
What's up with that m
