

# Fall in Love

Sammy Johnson

Yeah, yeah  
I can't get you off my mind  
I try so hard to find  
A way to stop these thoughts from creepin' in my head (ooh)  
Spendin' time with friends (ooh)  
Only seems pretend  
'Cause while I'm laughing, while I'm smiling I'm thinking of you What is it can I do  
To make myself stop thinking of you  
And all the things that you do  
Maybe I'm just a mess  
I'll never get the chance to tell you just how I feel Baby if I get the chance to talk to you  
I'll find the words and make you fall in love (oh)  
And maybe if I hold you close, look in your eyes  
You'll realize that you and I are in love  
But only if I get the chance, girl  
I will make you feel your love is real to me (Oh)  
Now I've been in love before  
(Ooh)  
And I know that love sure  
And you're the one for me and I'm the one for you  
(Ooh)  
Tell me is this love  
(Is this love)  
Tell me is this love  
'Cause I can't go another day without you here with me What is it can I do (what is it can I do)  
To make myself stop thinking of you  
And all the things that you do (and all the things that you do yeah yeah)  
Maybe I'm just a mess  
I'll never get the chance to tell you just how I feel (oh) Baby if I get the chance to talk to you  
I'll find the words and make you fall in love (oh)  
And maybe if I hold you close look in your eyes  
You'll realize that you and I are in love  
But only if I get the chance, girl  
I will make you feel your love is real to me But I can't get you out my mind (can't get out my mind)  
I think about you all the time (about you all the time) Baby if I, baby if I get the chance to talk to you  
I'll find the words and make you fall in love (oh)  
And maybe if I hold you close, look in your eyes  
You'll realize that you and I are in love  
But only if I get the chance, girl

I will make you feel your love is real to me
