

Sweet Memories

[Lisa Stansfield](#)

(l. stansfield/ i. devaney)Chorus:

Sweet memories of the love you gave me

Send me reeling into ecstasy

Sweet memories of the love you gave me

Send me crying to my room

And I don't wanna miss you

But I do

No I don't wanna miss you

But I doThe weather changes

Like life changes

Like me and you have changed

It's all about nothing to talk about

Then you're washed up in the rain

I wonder why

I let love die

Just let you slip away

I cry and cry myself to sleep at night

Mm baby babyI'm never gonna hear the last

About how stupid I was

I'm never gonna rest until I have you

Back in my armsChorusI've tried to smile

I can't 'cos i'm

Feeling sorry for myself

And I can't hide

What I feel inside

And babe it hurts like hellI'm never gonna hear the last

About how stupid I was

I'm never gonna rest until I have you

Back in my armsChorusNo space or time could take me away from you

Not ever no no no not never

Ain't nothin' or no-one can split us in two

Not ever not never no noSweet memories of the love you gave me

Sweet memories of the love you gave meAnd I don't wanna miss you

But I do

No I don't wanna miss you

But I do
