

Do's And Don'ts

Gomez

There's a dog in the water
A dog in the water
Well we can do what we wanna We'll never get older
Got to do what you wanna
You'll never get older The flag's in the water
The flag's in the water
Yeah, we can do what we wanna We'll never get older
Got to do what you wanna
You'll never get older There's a fly in the water
A fly in the water
Yeah, we can do what we wanna We'll never get older
Got to do what you wanna
You'll never get older
