

Was It You

Joy Kills Sorrow

Was it you that's slippin' out the back door when you thought I wasn't home?
Could you leave me in good conscience and wander all alone?

Oh oh oh oh Wo oh oh Wo oh oh oh

Wide awake and searching in the shadows and the places where we've been.
The walls aren't giving any answers and the silence never ends.

Oh oh oh oh Wo oh oh Wo oh oh oh
Wo oh oh oh Wo oh oh Wo oh oh oh

So leave me with dreams that haunt me.
These tears taste so melancholy sweet.
Here in the darkest hour I'll find you.
Even after everything is gone.

I remember everything you taught me like the faintest scent of June
How the lilacs always seemed to follow when you walked into a room

Wo oh oh oh Wo oh oh Wo oh oh oh
Wo oh oh oh Wo oh oh Wo oh oh oh

So leave me with dreams that haunt me.
These tears taste so melancholy sweet.
Here in the darkest hour I'll find you.
Even after everything is gone.

Instrumental

Wo oh oh oh Wo oh oh Wo oh oh oh
Wo oh oh oh Wo oh oh Wo oh oh oh
Wo oh oh oh Wo oh oh Wo oh oh oh
Wo oh oh oh Wo oh oh Wo oh oh oh

So leave me with dreams that haunt me.
These tears taste so melancholy sweet.
Here in the darkest hour I find you.
When it seems you're lost, you're there to guide me through.
Within the end of this love is sun,
Even after everything is gone

Even after everything is gone
