

# Cold, Cold Heart

Charlie Rich

I've tried so hard my dear to show that you're my every dream  
Yet you're afraid each thing I do is just some evil scheme  
A memory from your lonesome past keeps us so far apart  
Why can't I free your doubtful mind and melt your cold, cold heart  
Another love before my time made your  
heart sad and blue  
And so my heart is paying now for things I didn't do  
In anger, unkind words I said that make the teardrops start  
Why can't I free your doubtful mind and melt your cold, cold heart  
(Cold, cold heart) There was a time when I  
believed that you belonged to me  
But now I know your heart is shackled to that memory  
The more I learn to care for you the more we drift apart  
Why can't I free your doubtful mind and melt your cold, cold heart
