

# Daddy And Home

**Tanya Tucker**

I am dreaming, tonight, of an old southern town  
And the best friend that I ever had  
For I've grown so weary of roaming around  
And I'm going home to my dad Your hair has turned to silver and I know you're failing too  
Daddy, dear, oh, daddy, I'm coming back to you  
You made my childhood happy but still I longed to roam  
I've had my way, but now I'll say, I long for you and for home Dear daddy, you shared all my sorrows and joys  
You tried hard to bring me up right  
I know you'll still be one of the boys  
I'm starting back home tonight Your hair has turned to silver and I know you're failing too  
Daddy, dear, oh, daddy, I'm coming back to you  
You made my childhood happy but still I longed to roam  
I've had my way, but now I'll say, I long for you and for home I've had my way, but now I'll say  
I long for you and for home
