Water

PJ Harvey

Water
Walking
Walking on water
WalkingWalking on for years and years and years
Taking it into my head
Living by the right lines
Reading what the very man saidWater
I'm walking, walking on water
Walking
Walking onLying on eleven years
Taking it into my head
Mary, Mary drop me softly
Been reading what your very man saidLying on eleven years
Taking it into my head
Leave my clothes on the beach
I'm walking down into the seaAnd prove it to me
And prove it to me
And prove it to meNow the water to my ankles
Now the water to my knees
Think of him all waxy wings
Melted down into the seaMary, Mary what your man said
Washing it all over my head
Mary, Mary hold on tightly
Over water under the seaWa-wa-wa-water
Wa-wa-wa-wa-water
I'm walking
Walking on wa-wa-wa-wa-waterI'm walking
Walking on wa-wa-wa-wa-water
Walking
Walking on wa-wa-wa-wa-water
Walking
Walking on wa-wa-wa-wa-water
