

Rum Cake

Alexa Ferr

Are you infatuated with me?
What if I end your curiosity?
If I, if I, let you make your move
Can we dance like no one else is in the room? Could you be my lover, lover, lover, lover?
Where's the base and where's my drummer dummer, drummer
Would you be my lover, lover, lover, lover?
Where's the base and where's my drummer dummer, drummer Give me some rum rum yum yum rum rum
yummy rum cake cake cake
Give me some rum rum yum yum boy boy I put it in my waist waist waist
Give me some rum rum yum yum rum rum yummy rum cake cake cake
Give me some rum rum yum yum boy boy I put it in my waist waist waist Baby do I intoxicate?
My spice hot like pepper babe
What ya what ya what ya
What ya, what ya gonna do
When my rude hips come for you
Could you be my lover, lover, lover, lover?
Where's the base and where's my drummer dummer, drummer
Would you be my lover, lover, lover, lover?
Where's the base and where's my drummer dummer, drummer Give me some rum rum yum yum rum rum

Cool breeze on the street like a Summer love
