

# Dad

## Bamford, Maria

Dad, I hate to tell ya  
Sometimes I wanna slap you in the face  
But dad, I gotta tell ya  
If you were gone I'd miss you from this place Don't go away again, I just wanna be your friend  
And if I don't say this now, I'm gonna be sorry  
Don't wanna make the same mistake again Dad, I need to tell ya  
Sometimes I wanna walk right out the door  
Dad, I'm gonna tell ya  
Glad that we don't argue like before Don't go away again, I just wanna be your friend  
And if I don't say this now, I'm gonna be sorry  
Don't wanna make the same mistake again Dad, I need to tell ya  
Sometimes it's hard to show you how I feel  
Dad, I'm gonna tell ya  
I wish that all our differences weren't real Don't go away again, I just wanna be your friend  
And if I don't say this now, I'm gonna be sorry  
Don't wanna make the same mistake again I see, the older that I get, I'm becoming you  
I see, the older that I get, I'm becoming, I'm becoming you Dad, I wanna tell ya  
I just wanna take away your pain
