

# I'm Not A Player

## Big Punisher

You're my darlin' darlin' baby  
You're my darlin' darlin' love  
You're my darlin' darlin' baby  
I said, you're everything, I ever hoped for in a woman  
And as long, as I may live, ooh, you're  
Yo, I ain't a player, I just fuck a lot  
Jump on top of my dick and work them hips until I bust a shot  
It doesn't stop, I'm only beginnin' I'm bonin' your women  
While you home all alone, I'm blowin' up in 'em  
Sendin' them back to you, mad at you  
Don't catch a motherfuckin' attitude  
I'm just showin' you how this rapper do  
Capital Punishment, when I'm up in it, suckin' it  
Bustin' it out, nice blouse, let me unbutton it  
You're fuckin' wit King Papi Chulo when knockin' culo  
Pop your mulos out the socket tryin' to ride with the sumo  
You know my rise is high, word I be drillin' 'em  
Bitches be tryin' to ride but the current be killin' 'em  
Fillin' 'em with the cash, my cheese premium unleaded  
Come get it, first wreck the ton then let the Pun hit it  
Split it in half, watch the gas, baby take a bath  
Be good, I might put away the wood and give you the mustache  
You're my darlin' darlin' baby  
I ain't a player, I just fuck a lot  
You're my darlin' darlin' love  
I'm not a player, I just fuck a lot  
You're my darlin' darlin' baby  
I ain't a player, I just fuck a lot  
You're my darlin' darlin' love  
I'm not a player, I just fuck a lot  
I bang a stranger in my torture chamber, feed the locas tocha pinga  
While I force my finger where my bollas linger  
I bring the pain like Method when I flex and flip the coochie  
Puerto Rican to the core but no Boriquas eat the pussy  
'Scuse me for bein' blunt but I've been eatin' cunts  
Since pimps was pushin' pink Caddies with the fish tank pumps  
Bumpin' and grindin' simultaneously grindin'  
Climbin' up the walls with my balls, bangin' off your hymen  
I'm a diamond in the rough bustin' in your face

(Uhh)

Taste the sweetness of my dick, rip your fetus out of place, yo  
Bitches already know the repertoire  
Step in my car, let's start the menage-a-trois, like Escobar  
By far, I'm the best at all sex positions  
Forget the kissin', I'm skippin' the tongue twistin', see extradition  
You're my darlin' darlin' baby  
I ain't a player, I just fuck a lot  
You're my darlin' darlin' love  
I'm not a player, I just fuck a lot  
You're my darlin' darlin' baby  
I ain't a player, I just fuck a lot  
You're my darlin' darlin' love  
I'm not a player, I just fuck a lot  
Some chick in back of me bought me a daiquiri  
Told me meet her in back of Zachary's  
'Cause she heard I was packin' meat  
I bagged the freak and hit the tele'  
Got the Phillies, lifted her belly  
And "Put it in Her Mouth," like Akinyele  
Far from ugly but they used to say, I'm too chubby  
But since the money the honies got nuttin' but love for me  
So rub my tummy and make a wish, I'll make you rich  
Take your kids to the flicks  
Come back and fix your favorite dish, not!  
You crazy bitch, I ain't with that, I'm hit that  
Split back to the shack where my other chicks at  
Now can you dig that? I'm the Mack, doin' my thing  
Pullin' your strings, makin' you feel like you in a dream  
It's the king of the Hip-Hop Quotables, givin' you multiples  
Just by the tone of my voice in the vocal booth  
I notice you doin' your thing with your crew  
Is it aight  
If I come down there and sing to you?  
You're my darlin' darlin' baby  
I ain't a player, I just fuck a lot  
You're my darlin' darlin' love  
Uhh, I'm not a player, I just fuck a lot  
You're my darlin' darlin' baby  
I ain't a player, I just fuck a lot  
You're my darlin' darlin' love  
I'm not a player, I just fuck a lot  
You're my darlin' darlin' baby  
You're my darlin' darlin' love  
You're my darlin' darlin' baby
