

Wire To Wire

James Borges

What is love but the strangest of feelings?
A sin you swallow for the rest of your life?
You've been looking for someone to believe in
 To love you until your eyes run dry
 She lives by disillusion glow
 We go where the wild blood flows
 On our bodies we share the same scar
 Love me, wherever you are
How do you love with a fate full of rust?
How do you turn what the savage tame?
You've been looking for someone you can trust
 To love you, again and again
How do you love in a house without feelings?
 How do you turn what the savage tame?
I've been looking for someone to believe in
 Love me, again and again
 She lives by disillusion's glow
 We go where the wild blood flows
 On our bodies we share the same scar
How do you love on a night without feelings?
She says, love, I hear sound, I see fury
She says, love's not a hostile condition
 Love me, wherever you are
 Love me, wherever you are
 Love me, wherever you are
 Wherever you are
