Mommy (feat. Daina)

Eyeris (Creep-P)

I'm still here...
We're still here...
I'm still here...
In plain fear...
Terrified of what I've become...
But I'm sure this is something I'll overcome.

Mommy knows best
But why am I a mess?!
It's unnatural.
I'm unstable!

She scratched me,
Ruined my beauty...
Just a small blemish,
But mommy's still pretty!

Mommy always loves you...
Mommy's always here...
Is mommy pretty?!
Please don't shed a tear!

Mommy's pretty!
Mommy is HAPPY!
You are pretty as a gem,
I hope this will end well...

Mommy always love you,
Mommy's always here...
Mommy's so pretty!
I feel the end is near...

Mommy's pretty!
Mommy is HAPPY!
Precious little angel...
Mommy is not stable!

Mommy knows best.
Mommy knows best.
Mommy knows best.

Mommy knows best.

Mommy knows best.
Mommy knows best.
Mommy knows best.
Mommy knows best.

Mommy loves me
Please adore me
Please leave me be
Mommy's still pretty

Mommy knows best
But why am I a mess?!
It's unnatural.
I'm unstable!

She scratched me,
Ruined my beauty...
Just a small blemish,
But mommy's still pretty!

Mommy always loves you...
Mommy's always here...
Is mommy pretty?!
Please don't shed a tear!

Mommy's pretty!
Mommy is HAPPY!
You are pretty as a gem,
I hope this will end well...

Mommy always love you,
Mommy's always here...
Mommy's so pretty!
I feel the end is near...

Mommy's pretty!
Mommy is HAPPY!
Precious little angel...
Mommy is not stable!

Mommy knows best.
Mommy knows best.
Mommy knows best.

Mommy knows best.

Mommy knows best.
Mommy knows best.
Mommy knows best.
Mommy knows best.

Mommy (x20)

Obsession courses through my veins
Orgasmic pleasures are my gain
Loving myself is far too vein
Loving you is my goddamned my pain

Possession courses through my veins
Orgasmic pleasures are my gain
Loving myself is far too vein
Never seeing you is my goddamned my pain

Mommy always loves you...
Mommy's always here...
Is mommy pretty?!
Please don't shed a tear!

Mommy's pretty!
Mommy is HAPPY!
You are pretty as a gem,
I hope this will end well...

Mommy always love you,
Mommy's always here...
Mommy's so pretty!
I feel the end is near...

Mommy's pretty!
Mommy is HAPPY!
Precious little angel...
Mommy is not stable!

Mommy knows best.
Mommy knows best.
Mommy knows best.
Mommy knows best.

Mommy knows best.
Mommy knows best.

Mommy knows best.
Mommy knows best.
