Squealer

Squealer

She said she'd never been, never been touched before
She said she's never been, this far before
She said she'd never liked, oh, to be excited
She said she'd always had, had to fight it (and she never won)
She said she's never been, never been balled before
N' I don't think, yeah, she'll ever ball no more (fixed 'er good)
Hey squealer, when I held her hand
Squealer, Made her understand
Squealer, when I kissed her lips
Squealer, and sucked her finger tips
Squealer, she started getting hot
Squealer, made it hard to stop
Squealer, it got too much
Squealer, I think I've got the magic touch
Squealer, it's time to sin, let me in
